

A group of approximately 15 diverse children, mostly of elementary school age, are posed in front of a large, stylized world map. The map is painted in vibrant colors: blue for oceans, green for continents, and yellow for landmasses. The children are wearing matching outfits: yellow t-shirts, green t-shirts, or light blue t-shirts, paired with khaki cargo pants. Many of the children have backpacks on. They are all smiling and have their arms raised in a celebratory gesture. The background map includes a small airplane icon in the upper right and a small boat icon in the lower left. The overall theme is global exploration and adventure.

KIDS 4-7 | UNSCRIPTED SERIES

39 x 21' OR 117 x 7'

A global kids' travel series hosted by eight dynamic sibling duos, ages 6-8. Each pair shares their globetrotting adventures through journaling, drawing, painting, and on-location chatter. From walking the Great Wall of China to learning a Ukrainian folk dance in Kiev, our young hosts take the audience with them. Each set of siblings brings a unique dynamic to their adventures but some things stay the same — amazing experiences and spectacular sights. Produced in partnership with National Geographic.
