Chirp

52 x 11'

In each 11-minute episode, best friends Chirp, Tweet and Squawk imagine themselves into fantastical adventures. They go on grand quests through jungles and on spy missions, but ultimately their imaginations get them into some trouble. That's where the Mail Squirrel comes in handy. Everyday, at just the right time, the Mail Squirrel drops off a package for Chirp. Seemingly innocuous items like a hand held fan, elastic band or paper clip become a play-saver when Chirp and his friends are able to engineer them into something more helpful.
